Persönliche Informationen

Persönliche
Informationen

Hirnverletzung

A line drawing of a human brain with a jagged, star-shaped impact mark on its surface.

Down-Syndrom

A line drawing of three pairs of human chromosomes, representing trisomy 21.

Autismus

A line drawing of a human head profile with several interlocking puzzle pieces inside, symbolizing autism.

Taub

A line drawing of a smiling face with a hand sign (two fingers up) next to it, indicating deafness.

Hörbehindert

A line drawing of two hands, each with two fingers up, representing a hearing impairment.

Nonverbal

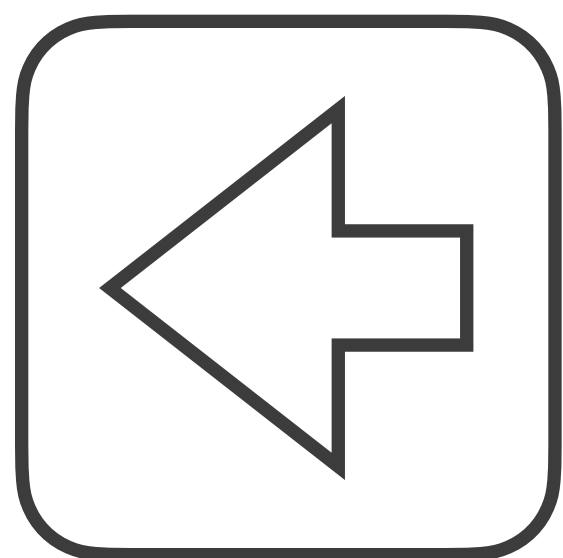

A line drawing of a hand with the index finger pointing to the lips, indicating nonverbal communication.

Blind

A solid black silhouette of a person walking with a cane, representing blindness.

Sehbehindert

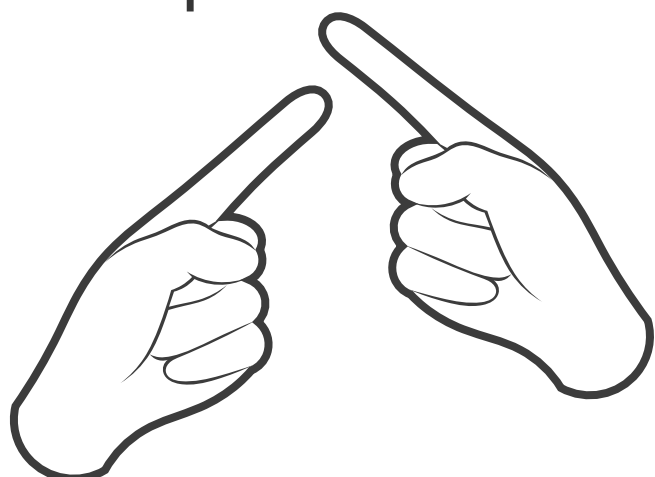

A line drawing of an eye with several thick, diagonal black bars crossing over it, representing visual impairment.
